

Minutes of U of C OSA/SPIE Student Chapter Meeting

Date: April 29th, 2010 13:15

Location: IQIS meeting room. SB316, U of C

Attendants: Connor, Matt, Andrew, Chris, Ranjeet, Pantita, Josh, Itzel.

1. Select person to attend SPIE leadership conference in San Diego in August

The deadline will be in 2 weeks and the Chapter will need to be in good standing, meaning 10 members.

Criteria for representative: preferably an officer and must be an SPIE member.

Selected: Ranjeet

2. OSA Grant received

Grant for RAO open-house event, Recruitment party, and QUNO day at Canadian Quantum Information Students' Conference which we will have people from Max Planck Institute.

3. OSA leadership Conference in October

Deadline for confirming is as late as September.

4. Visiting Speaker to bring over to Calgary

This turn is for Wolfgang's group to decide. There is a period where we can apply for travel grant that we need to check.

5. QUNO day

Keep the pattern of CQISC but will be all Quantum Optics related.

Sponsor food and drink for the day

Andrew will present a 5 minutes talk about last year QUNO

Suggestion to invite people in nanotech to the event to keep nano-optics related, especially people in Alberta which will do so by contacting other student chapters and network of people already familiar with the chapter members

If can confirm quickly CQISC can cover for accommodation

Will arrange for a guest speaker in QUNO day whom the chapter will invite

6. Next Meeting will be in September along with election, unless there are matters to discuss
